All,  
Thanks for a productive call today. Please take a look at the draft agenda and notes on who could address different points (below), and let me know if you have any edits or suggestions by tomorrow morning.  
Thanks,  
Matthew

Background email for the call:

OCIR HQ got a request from Sen. McCaskill's DC office for a phone call to discuss the SO2 designation for Franklin County, MO. I believe the public comment period is currently open on EPA's proposed decision to classify Franklin County as non-attainment, as opposed to following the state proposed designation as unclassifiable.
